

February 2025 News Farm Room- Young 3's Ms. Jen & Ms. Angelina

Wow! It is hard to believe that January has gone by so quickly.

The winter weather has certainly set in so we would like to remind you to please be sure and send a warm coat with your child (with his/her name inside) as we will continue to do outside activities.

We are making great strides this month. The children have been working and playing so well together! Their progress since the beginning of the year with socializing and learning daily structure and routines is amazing. This month we will continue learning to recognize the letters of the alphabet and will be working on spelling our names. February has a lot of content to cover.

Thank you to all of our wonderful January leaders!

February will be filled with activities to help us keep our bodies safe and healthy, taking good care of our teeth, and of course, love will be in the air as we have a grand time with our Valentine's unit. February is Heart Health and Dental Health month. We will also be discussing community helpers and their roles in helping to keep us healthy and safe. Also, with Valentine's Day just around the corner we'll focus on the special people in our lives.
